

Hiring for Primary, Elementary & Secondary Teachers

Are you looking for an environment of professional collaboration and creativity with the flexibility of educational methods? Would you flourish in an environment where you have the autonomy to allow the individual needs of students to direct the curriculum?

Then Main Street School might just be the school community you've been looking for.

Main Street School is a small, private, non-profit school offering an individualized, multi-aged and experiential, hands on education to children age 3 through high school in Norwalk, Iowa. We are currently taking applications for Primary, Elementary and Secondary School Teacher Positions for the 2018-2019 school year.

Job Summary:

- Using phenomenon based learning, Montessori and other educational methods tailored to each student, teachers will be tasked with facilitating student success and growth in academic and interpersonal skills through planning, organizing and implementing an appropriate instructional program in an environment that guides and encourages students to develop and fulfill their academic potential.
- Would lead classroom of 6-10 students

Essential Functions:

Under the general supervision of the school director, the teacher will:

- Develop and administer curriculum consistent with the needs of each child.
- Promote a classroom environment that is safe and conducive to individualized learning and small group instruction.
- Develop lesson plans and utilize instructional materials that result in high quality learning experiences that maximize instructional time.
- Document student progress, activities, and outcomes.
- Encourage parental involvement in students' education and ensure effective communication with and feedback to students and their parents/guardians regarding academic and social progress and goals.
- Conduct ongoing assessment of student learning and modify instructional methods based on individual student needs.

Educational Requirements:

Bachelor's Degree in education from accredited institution.
